Hotelogix Unified Distribution System
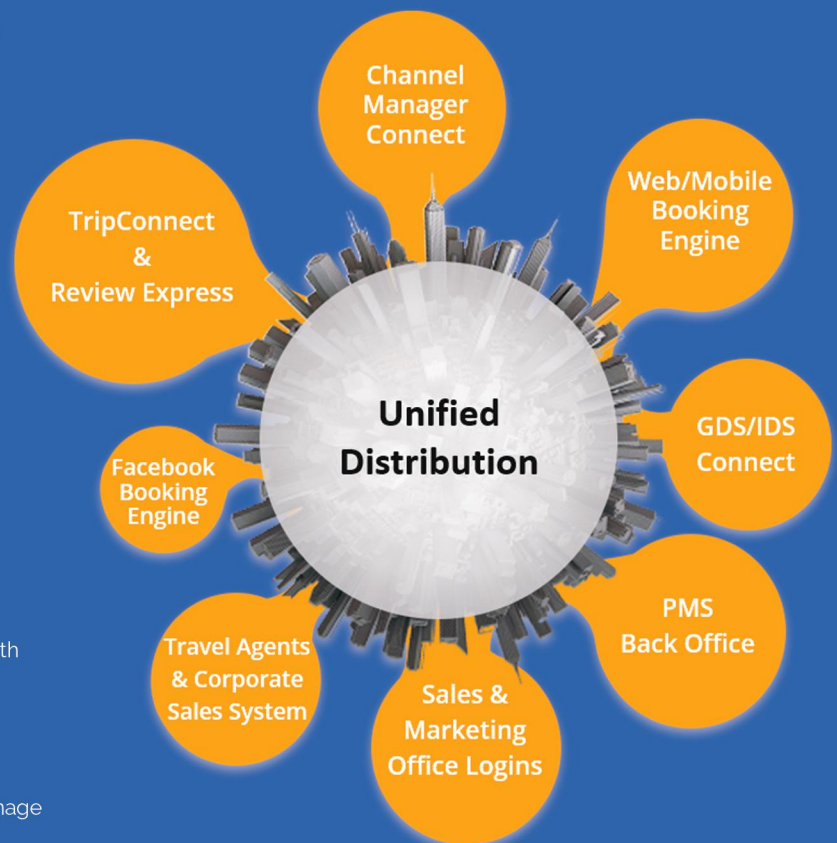

Trusted by hotel owners in 100+ countries

HOTELOGIX
smart hoteliering

Hotelogix's Unified Distribution System helps independent properties sell more rooms online and manage room inventory distribution in a centralized way.

Key Features & Benefits

- **Channel Management**
  Maximize your hotel's presence across OTAs with our integrated 2-way interface

- **GDS Connect**
  Reach 600,000 travel agents with connectivity to Amadeus, Sabre, Galileo and Worldspan

- **Web/Mobile Booking Engine**
  Get direct website bookings with confirmed credit card payments

- **Facebook Booking Engine**
  Enjoy real-time bookings through your Facebook page

- **TripAdvisor Services**
  Tap into the power of TripConnect CPC, Instant Booking and Review Express

- **Travel Agent and Corporate Bookings**
  Offer a dedicated booking console to maximize business with your travel agents and corporate customers

- **Multi-property CRS API**
  Connect multiple properties to your group website and manage bookings in real-time

- **Multi-property CRO**
  Equip your CRO to handle bookings from all member properties centrally

> *We have seen 200% increase in bookings since we started using Hotelogix with Channel Manager connectivity.*

- Gina Mantzioris, Manager of Vanessa Hotel , Greece

Smart Distribution Solution for Your Property

Enjoy Single-point Control
Manage bookings from all sources on a single dashboard

Sell More Rooms Online
Optimize your inventory and sell until the last available room to boost revenues

Manage Multi-property Bookings
Get APIs to handle bookings of multiple properties centrally, from anywhere

Reduce Complexities
Eliminate rate parity issues and loss of revenue due to human errors

Handle Rates and Packages
Offer multiple rates and packages on all your channels of sales

Get Business Intelligence
Analyze sources of business and make informed decisions for the future

---

Today, occupancy remains steady at 95 percent, thanks to Hotelogix. I prefer to leave the technology to the experts so I can stay focused on my staff and guests.

- Jason Purkiss, Owner, Bond Hotel & Extended Stay, USA

Expand your market reach

Increase booking revenues

Boost your business

The combination of Hotelogix PMS and TripConnect is a powerful tool to increase our hotel bookings. Hotelogix PMS automatically updates all channels with rates and availabilities and the FrontDesk gets updated with bookings in real time. It has increased our bookings by 20% in less than a month.

- Ms. Lelibeth Duran, Operations Manager of Hotel Imperial, Haiti
